

THE WOODSMAN (More Enhanced)

There is a magical place deep within the secret forest where the Woodsman lives. The creative thoughts deep within the Woodsman's imagination brings forth the inner beauty of these very special trees. The Woodsman's creative skills produce beautiful works of art. Each day he gets up very early at the break of dawn and goes in search of the perfect gift.

With ax in hand he cuts just enough for his next project. Soon he hauls his special gift back home and begins the process of transforming an idea into beautiful living works of art for the glory of God.

The woodsman cuts and saws, sands and nails, paints & finishes sometimes for hours and hours all day long deep into the night until his special project is finally complete. The Woodsman happily displays the finished work of his craftsmanship for all to see.

Soon people start coming from all directions to see the awesome, really cool things the Woodsman has made. People come from miles around eager to buy true works of art.

What once was an instant spark of pure imagination has now become a family heirloom touching our souls & warming our hearts with Christ's love.

The Woodsman beaming with love smiles and prays for passers by, he will even offer help to those in need and he will always wish you well, he is a true friend to all, indeed.

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen
